# PHILOMATH FROLIC & RODEO PARADE

This year's Philomath Frolic Parade is to be held on July 8th. The children's parade is at 10:00 a.m. We would love to have strong PYAC representation at this community event. All teams wishing to show their support of PYAC should arrive with their group at the PYAC parking lot at 9:45 a.m. so they can walk to the float. Kids should be dressed in their uniform. Parents (if not chaperoning) need to make arrangements to meet up with their children at the end of the parade at the rodeo grounds or back at PYAC.

Call the PYAC office at 541-929-4040 for more information.

Younger children will ride on the float, and older children can walk beside the float!

# safety town

We still have openings for  
**children entering  
kindergarten in the fall!**

Under the guidance of a teacher, law enforcement officer, and teen instructors, children are introduced to many types of safety concepts. They will practice being safe pedestrians and drivers of peddle cars on our miniature town. This, combined with songs, art projects, videos, a bus field trip, and many presentations, provides a fun learning experience for the children. The curriculum provided by the National Safety Town Center has been adapted for our local area.
